Cost-Sharing, Demonstration Host Site, and Commercial Demonstration Checklist

The federal government prescribes certain criteria that proposed awardee cost-sharing or matching contributions (including cash and third party in-kind contributions such as manpower, equipment, consultants, and computer time) must meet in order for such cost-sharing to be allowable under its financial assistance awards. Cost-sharing must meet the following requirements of 10 CFR 600.123:

- 1) Is verifiable from the recipient's records;
- 2) Is not included as contributions for any other federally-assisted project or program;
- 3) Is necessary and reasonable for proper and efficient accomplishment of project or program objectives;
- 4) Is allowable under the applicable cost principles;
- 5) Is not paid by the federal government under another award, except where authorized by federal statute;
- 6) Is provided for in the proposed budget; and
- 7) Foregone fee or profit is **excluded** from any proposed cost-sharing amount.
